Flagship Edition
Spring 2010

Dear FantaSea Owner:

As always it is with great pleasure that we welcome you to FantaSea Resorts.

My name is Duane Rohrbaugh and it is with great pride and excitement that I have been appointed and accepted the position of General Manager at FantaSea Resorts.

My sole objective is to take my 20 years of experience at luxury resorts throughout the United States and Caribbean and bring to you, our owners, the benefit of that experience along with the Flagship Team to make your vacations and overnight stays more enjoyable and memorable than ever before.

But first, my hat's off to the Flagship because our entire staff will be going through advanced training to help us become the #1 Interval Ownership Resort in the Northeast United States. To accomplish this goal we need your involvement in filling out these Resort Comments and returning them to the Front Desk upon check out and shortly we will be offering an online feedback option.

We look forward to you enjoying all of our Resort amenities. Be on the LOOK OUT for all the new improvements. If you are interested in finding out more, please feel free to inquire at (800) 609-0009 or email us at ccare@60north.net.

At FantaSea Resorts we are dedicated to continuing our reputation as the premier independent Vacation Ownership Resort in Atlantic City and I want you to experience leisure living to the fullest.

Dream Smart,
Duane Rohrbaugh
General Manager

Blue Water Grille Opens at the Flagship Resort

New Look

Blue Water Grille is set to open this March at FantaSea Resorts, Flagship, formerly the site of Ozone Bar and Grille. Blue Water Grille is an exciting new concept featuring fresh, fun American food along with the best view anywhere on the East coast.

The room has been renovated to include dramatic elements, most notably hand-crafted screens that create natural divisions between the bar and dining area. Warm and rustic earth tones are the primary color scheme for the space, which will include new floor and wall coverings.

New Concept

The exciting new concept has taken months to craft, and has been developed with the assistance of world-class restaurateur Luke Palladino.

Some of Palladino's recent concepts include three of the most notable restaurants at Borgata Casino Resort and Spa. In addition, Palladino's travels have taken him to Las Vegas, Aspen, Florida, and the Gulf Coast, where he has created additional concepts for Isle of Capri.

New Chef

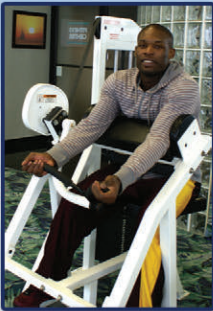

Mark Murphy has been brought on board as Blue Water Grille's Chef. Murphy is a 30-year veteran in culinary arts and gained experience at several Hyatt Hotels, the Arizona Biltmore, and The Del Webb Mountain Shadows. He relocated to the Atlantic City area and continued to perfect his culinary skills at Tropicana and Caesars.
